CONCERT DETAILS

**Folk-Sing & Picnic**, Sunday, June 29; noon-5pm

A day of getting together and singing in this delightful setting where we held our festival two years ago. We will supply minimal organization to help get things going; you supply enthusiasm and your lunch, etc. - We go rain or shine since there are several buildings which we can use if the weather doesn't cooperate. Admission: $2 adults, $1 children, $1 seniors. Information call (718) 426-8555 or (201) 560-0219. Directions: From bridge, take 1-80 West to 1-287 South. Take 2A7 to first Morrisicave exiit & go into Morristown. From the center of Morristown (the Green) take route 202 north (Speedwell Ave) one mile to Historic Speedwell.

**Folk Festival Day**: Sun, July 13; 11AM-5PM

Wave Hill is unique in its setting; workshops take place in areas around the grounds overlooking the Hudson River, and the concert will take place in a new location under the magnificent shade trees. (Promise we can change from the unrelenting sun of last year!) Wave Hill is a perfect setting on a nice day but if it rains we still have excellent indoor facilities including the vaulted ceiling ballroom which can seat 200 (constructed by one of the former owners of the estate). See the enclosed flyer for prices and transportation.

Schedule (TENTATIVE):

11:30-12:30: Workshops: Aban Music & Sacred Harp
11:45-1:45: Open Stage
12:45-1:45: Workshops: Early English Dance & Celtic Harp
2:00-5 PM: Concert

**Folk Festival Day Performers:**

The **Aban Music Band** is led by noted vocalist Cathy LaSurf with Phil Bauer on guitar, mandolin, fiddle, & vocals; Martin Bell on fiddle & synthesizer; and Mark Steed on keyboards. This English band is known world-wide for their tasteful interpretation of English traditional music on a combination of traditional and electric instruments. Their workshop will be a presentation of early English songs and dance including 16th Century Bards.

**Antara** is the name of a pre-colonial pampi which has been taken by this New York based group: Tato Delara was born in Tandil, Argentina; Leider Rondon was born in Popayam, Colombia; and Juhl Eliass was born in Liliego, Chile. This group gives a lively presentation of folk songs and tunes from Latin America. To compliment their vocal harmonies they play windwinds (antara, kena, xenacho, zampona, taraks, monemvas, & pinillos), strings (guitar, cuatro, charango, tiple, & Paraguayan harp) and percussion (bombo leguero, charaes, charaes, claves, timbadores, cajon peruno, & pandero). In addition to their appearance in the concert they will do a workshop in Abn music.

John Roberts & Lisa Preston perform the traditional songs of Britain & Ireland ranging from classic ballads to drinking songs. Both are accomplished singers and musicians: Lisa plays clavinet, Irish harp & guitar; John plays both English & Anglo concertina, guitar & banjo.

Bobbie Wayne, a member of NYPCC, lives in Peekskill, NY and plays the Celtic Harp. She will give a workshop on a sampling of Celtic music on the harp. Anne Price is a member of NYPCC and is well known to many of us for her lovely interpretations of traditional & contemporary folk songs. Her children's program includes lots of sing-a-long on lots of instruments.

**Other Workshop Performers can't be mentioned individually because of space limitations. Bring a Sacred Harp book and be sure to bring your voice &/or instrument and share your music on the Open Stage.**

"Sail and Sing" with Woody Kozin, who invites you to spend an enjoyable August afternoon on the banks of the Hudson River, cooled by pleasant river breezes and the sheltering shade of the towering Palisades. The main attraction, seven people at a time, aboard Woody's 22-footer, the "Big Annie." Other attractions: good food (the best), two hiking trails, wading beach, historical house and tavern, cliff-side pavilion, modern bathrooms, and lots of boats and scenery to look at.

Location: 1/2 mile boat basin, about 7 miles north of the G.W. Bridge. By car: Palisades Parkway north from the bridge, to exit 2, the Alpine exit. (Don't take exit 1, for the Englewood boat basin.) From exit 2, go down the hill, then turn left at a traffic circle, then left around circle and continue down the hill toward the boat basin. Pay toll ($2 per car) and park. Meet the gang at the pavilion around 1:30PM, or at any time at Woody's boat dock, good gate, dock 40. By bus, from the G.W. Bridge bus terminal, get bus that goes north on 94, and ask driver to let you off at the road going down to the boat basin; the Palisades Park Police HQ is close to this point. Go down hill, past police HQ,about 1/2 mile. DRIVERS: offer rides to those without wheels, to help and share the tolls. For info, call Woody at 201/440-5465. Also, you can call him to offer rides or to find out who is offering them.

HEAVENLY ALERT! II

On August 12 (and a day or so before and after), weather permitting, it's possible to see well over 100 shooting stars in a single night, some of them spectacular meteors. The best viewing time is always the day of your trip. The show is most visible on the east coast of the U.S. A dark area (preferably away from the city lights) with a good view of the horizon. Bring a pillow and a blanket, lie down facing north, and wait for the fireworks to begin.

7 REASONS to get the "WINDS OF THE PEOPLE" book

1. 680 songs in 30 categories (less than 1¢ per song).
2. The remaining copies are going fast and will soon be gone.
3. If you miss out, you'll kick yourself, leaving unattractive gifts.
4. They make great gifts.
5. You need extra copies in your car to amuse your passengers (and their singing will help keep you from falling asleep behind the wheel).
6. You need extra copies at home for parties, songwriting, and the like. You can find a use for the one short leg.
7. Your copies (if you already have one) will eventually find a new purpose (e.g., the kids may use it for a tool handle, or you may get lost).

See NOT Lime ad for ordering information.

HEAVENLY ALERT!!!

On August 12 (and a day or so before and after), weather permitting, it’s possible to see well over 100 shooting stars in a single night, some of them spectacular fireballs. The best viewing time is always after midnight, and you should seek out a dark area (preferably out of the city) with a fairly unobstructed horizon. Bring a pillow and a blanket, lie down facing north, and wait for the fireworks to begin. — Sol Webber

7 REASONS to get the "WINDS OF THE PEOPLE" songbook

1. 680 songs in 3 categories (less than 1% per song).
2. The remaining categories are going fast and will soon be exhausted.
3. If you miss out, you’ll kick yourself, leaving unaesthetically pursuits.
4. They make great gifts.
5. You need extra copies in your car to amuse your passengers (and their singing will help keep you busy when you’re stuck behind the wheel).
6. You need extra copies at home for parties, songwars, and to sign the song at the table with the one short leg.
7. Your copy (if you already have one) will eventually be replaced by a used one, or maybe get lost.

See HOT LINE ad for ordering information.
CONCERT DETAILS

Folk-Sing & Picnic, Sunday, June 29; noon-5pm
A day of getting together and singing in this delightful setting where we held our festival two years ago. We will supply minimal organization to help things get going; you supply enthusiasm and your lunch, etc. We go rain or shine since there are several buildings which we can use if the weather doesn’t cooperate. Admission: $2 adults, $1 children, $1 seniors. Information call (718) 426-8555 or (201) 502-0202. Directions: From Garden Bridge, take I-80 West to I-287 South. Take 287 to first Morristown exit & go into Morristown. From the center of Morristown (the Green) take route 202 north (Speedwell Ave) one mile to Historic Speedwell.

Folk Festival Day: Sun, July 13; 11AM-5PM
Wave Hill is unique in its setting; workshops take place in areas around the grounds overlooking the Hudson River, and the concert will take place in a new location under the magnificent shade trees. (We promise a change from the unrelenting sun of last year!) Wave Hill is a perfect setting on a nice day but if it rains we still have excellent indoor facilities including the vaulted ceiling barn, a hall which can seat 200 (constructed by one of the former owners of the estate). See the enclosed flyer for prices and transportation.

Schedule (TENTATIVE)
11:30-12:30: Workshops; Asian Music & Sacred Harp
12:45-1:45: Open Stage
12:45-1:45: Workshops; Early English Dance & Celtic Harp
12:45-1:45: Children’s program with Anne Fluck
2:00-5 PM: Concert

Folk Festival Day Performers:
The Albion Town Band is led by noted vocalist Cathy LeSuer with Phil Unter on guitar, mandolin, fiddle & vocals; Martin Bell on fiddle & synthetizer; and Mark Streed on keyboards. This English band is known world-wide for their tasteful interpretation of English traditional music on a combination of traditional and electric instruments. Their workshop will be a presentation of early English songs and dance including 18th Century Bailes.

Antara is the name of a pre-colombian panpipe which has been taken by this New York based group: Tato Geller was born in Tandil, Argentina; Leider Garzón was born in Popayán, Colombia; and Nellie Eiffl was born in Lilloeo, Chile. The group gives a lively presentation of folk songs and tunes from Latin America. To compliment their vocal harmonies they play woodwinds (antara, kena, charango, zampona, tarkas, narcenas, & pikkilos), string (guitar, cuatro, charango, tiple, & Paraguayan harp), and percussion (bombo leguero, characas, maracas, chaves, timbadores, cajon, pandero). In addition to their appearance in the concert they will do a workshop in Asian music.

John Roberts & Lisa Preston perform the traditional songs of Britain & Ireland ranging from classic ballads to drinking songs. Both are accomplished singers and musicians: Lisa plays clavinet, Irish harp & guitar; John plays both English & Anglo concertina, guitar & banjo.

Bobbie Rose, a member of NYPCC, lives in Peekskill, NY and plays the Celtic Harp. She will give a workshop on a sampling of Celtic music on the harp.

Anne Price is a member of NYPCC and is well known to many of us for her lovely interpretations of traditional & contemporary folk songs. Her children’s program includes lots of sing-alongs on lots of instruments.

Other Workshop Performers can’t be mentioned individually because of space limitations. Bring a sacred harp and learn to play an instrument and share your music on the Open Stage.
