The FMSNY executive board has agreed to the American Federation of Musicians Local 1000 Fair Trade Music principles for our concert program. In essence it means that our club agrees to pay at least union scale to the performers in those concerts, including house concerts, for which we are the primary sponsor. Our agreement does not cover non-concert events such as sing-arounds and weekends, nor does it cover concerts featuring our own club members and concerts where we are a cosponsor but from which we receive no income. For more information please visit: www.fairtrademusic1000.wordpress.com.

Our Fall 2016 season begins Sept. 17.
